- **NOMINATING COMMITTEE FOR 2021-22 EXECUTIVE OFFICERS** – The nominating committee will present the proposed slate of officers at Monday night's meeting. - **PUBLIC GALLERIES** – Thank you again to the members who have signed up to display their art in one of our public galleries. We have 10 businesses on our list, and one or two more are expected soon. However, at this time two of our current venues are not open to the public to receive art – BB&T and Prosperity Town Hall.

We are now accepting volunteers to display through the summer. If you are interested, please go to our website, and click on Galleries. There you will see the number of pieces allowed per site, the number of artists who can participate at any given time, and the number of months the art will hang. Please email me, soliver497@bellsouth.net, with the name of the site in which you are interested. If you would be unable to hang during a particular month, please let me know that also. I will confirm by email that I received your request.

- Reminder for those signed up for **Russell Jewell's workshop – April 16-17, 9:00am-4:00pm at American Legion Building in Chapin.**
- The **May 14-15 workshop, "Collage Landscapes,"** with Julie Larkin is available for registration on our website or by contacting Carol Blackwood, Workshop Coordinator.

I look forward to seeing you on Zoom on April 19 for the general meeting.

Sandra Oliver, President
